HS-CHIPS - Hot Stamping

Make these poker chips your own with genuine gold or silver hot stamping. Make these chips truly yours and unique, by opting for your own custom die. Design your own or have our award-winning design team design one for you!

LI-CHIPS - Large Inlays

These permanent, water-resistant vinyl inlays are unique to the industry in that they are 1-1/2" in diameter. With our full color printing capabilities, only your imagination will limit what you can promote.

CSI-CHIPS - Casino Style Inlays

Apply these permanent, water-resistant vinyl inlays to our unique clay-like casino style poker chips. Using state-of-the-art manufacturing technology, these chips have the same weight and feel as a professional casino chip at a fraction of the cost!
